To mail in your samples, please do the following:

1. Completely fill a quart-size zip-lock or other sealable plastic bag with the seed to be tested. Most tests require a minimum of 600 grams (1.3 lbs) of seed.
2. Double bag the seed then tape the bags shut.
3. Print this seed sample form and indicate which test(s) you are requesting.
4. Mail the samples and form to our office at:

Grain, Feed, & Seed Section
Ohio Department of Agriculture
8995 East Main St, Bldg 23
Reynoldsburg, OH 43068

Testing requires 7-10 days of germination; please allow up to 3 weeks to receive your test results.
